Treatment class	H3 (supplier description). H3 is described for timber kept off the ground but exposed to weather or periodic wetting; it is not for ground contact
Stress grade and surface	MGP10 / F7, dressed all round (DAR), as described by the supplier
Lengths	The lengths supplied are confirmed with your order

Nominal sizes: 70 × 35 mm, 70 × 45 mm and 90 × 35 mm framing

02 Ordering

Pricing	Priced per linear metre (LM). The current rate is shown on each product page; quantities are entered as linear metres.
Packs and trade	Full-pack pricing and bulk orders are quoted. Use the quote form on the product page or call us.
Collection and delivery	Free collection from West Gosford NSW by prior arrangement. Delivery is quoted per order based on load size, board length and site access.

03 What this sheet does not cover

This sheet lists verified sales information only. We do not hold a supplier technical specification for these sizes, so it states no strength, span, structural or engineering value, and it is not a certification of any kind.

Use the timber in line with the relevant framing standards and your project engineering. The treatment and grade of the timber supplied are shown on its brand or grade mark and confirmed on your quote and delivery paperwork.
