Nominal size: 135 × 19 mm decking

02 Ordering

Pricing	Priced per linear metre (LM). The current rate is shown on the product page; quantities are entered as linear metres.
Full packs	A full pack is 342 LM. Orders below 342 LM incur a pack-opening fee; the current amount is shown on the product page. It is not included in the online checkout total, and we confirm it with you before arranging payment.
Collection and delivery	Free collection from West Gosford NSW by prior arrangement. Delivery is quoted per order based on load size, board length and site access.

03 What this sheet does not cover

This sheet lists verified sales information only. We do not hold a supplier technical specification for this product, so it states no durability class, strength, structural, fire, slip or installation value, and it is not a certification of any kind.

Fixing and board spacing must follow the supplier's or manufacturer's installation instructions for this profile. Ask us before you order if you need technical information confirmed.
